Chair: Strejček J.

15.15–15.45 Angiochirurgické principy léčby ulcus cruris venosum (Angiosurgical principles of ulcus cruris venosum treatment)

Mazuch J., Slovakia

15.45–16.15 Problematika lymfedému ve flebologické praxi (The issue of lymphedema in phlebological practice)

Vlasák R., Czech Republic

20.00 Conference dinner / Konferenční večeře

SATURDAY, NOVEMBER 11

HALL 319

9.00–10.20 **Endovenous Section of the Czech Society of Phlebology I** (presented in Czech)

Chairs: Julínek S., Pecháček V.

9.00–9.20 Atypické V3b varixy v širším kontextu – kazuistika (Atypical V3b varices in a wider context – case report)

Pecháček V., Czech Republic

9.20–9.40 Klasifikace žilních malformací (Classification of venous malformations)

Kachlík D., Czech Republic

9.40–10.00 Endovaskulární intervence je moudrou volbou pro léčbu pravého REVAS (Endovascular intervention is a wise choice for the treatment of real REVAS)

Hnátek L., Czech Republic

10.00–10.20 Co mne zaujalo mezi novinkami v léčbě chronické žilní nemoci (What interested me among the novelties in the treatment of chronic venous disease)

Strejček J., Czech Republic

10.20–10.40 Coffee break

10.40–12.00 **Endovenous Section of the Czech Society of Phlebology II** (presented in Czech)

Chairs: Hnátek L., Pecháček V.

10.40–11.00 Máme se obávat nízkých výkonů u laserů s vlnovou délkou 1940nm (Should we be concerned about low energy used with lasers with a wavelength of 1940nm?)

Julínek S., Czech Republic

11.00–11.20 Jak se vyhnout komplikacím endovenózní termální ablace varixů? (How to avoid complications of endovenous thermal ablation of varicose veins)

Kašpar S., Kašpar D., Hnátek L., Czech Republic

11.20–11.40 Přínos ENTONOXU („laughing gas“) u ECHOTERAPIE varixů (Benefit of ENTONOX ("laughing gas") in echotherapy of varicose veins)

Julínek S., Czech Republic

11.40–12.00 ECHOTERAPIE varixů – výsledky v běžném klinickém provozu – studie „40“ (ECHOTHERAPY of varicose veins – results in routine clinical practice – study "40")

Strejček J., Czech Republic

49. flebologické dny

s mezinárodní účastí

10.–11. listopadu 2023

Dům techniky ČSVTS, Novotného lávka 5, Praha 1

39. Váradyho workshop

12.00

Closing of the conference / Zakoňčení konference
